WHAT DOES

*BUSINESS SUPPORT + ADVOCACY + WORKFORCE DEVELOPMENT + EDUCATION + CONNECTION +
GREAT NETWORKING + AWESOMENESS*

EQUATE TO?

THE CHAMBER.

While I am not originally from Butts County (my people are from Taylor County), I have been involved with this community long enough to know that word here spreads quicker than a California wildfire. No doubt you've heard grumblings, maybe a rumor or two-- but still don't have the full story? Fear not my friends! We are giving you the chance to throw some water on that curiosity and be "in the know" with all things Chamber.

Save the Date - Chamber Forecast

What is on the horizon? There is SO much information that it would take MONTHS to write and longer to read. Plus? This may be incentive for y'all to come on out, connect with community, and get to know your new chamber team. It will be worth the stop by. We promise.

Kind Regards,

Month in Review

What is that old saying about the long, lazy days of Summer?

Long? Yes. Lazy? Not so much.
We have been rocking and rolling,
or as we affectionately like to say...
"Chamberin' & Commercin'"

WORKFORCE DEVELOPMENT

Over the last few weeks, Southern Crescent and the Chamber have been in constant communication over the creation of new and inventive workforce development programs to benefit all. We are excited to announce that our talks are coming to fruition as the Chamber, our local businesses, and the Southern Crescent film department are partnering up to bring downtown Hawkins back to downtown Jackson for the upcoming **Stranger Things Epic Con**, taking place the weekend of October 19th. Huge thanks to all of our businesses who have agreed to participate in this EPIC (pun intended) event.
